I'm very upset that Elektra can't keep her promise to pay her rent on time. I've had several talks with her about it, but this time we have to resolve the situation once and for all. I asked her to come to my flat and when she did, I pulled out her lease and explained once again about the necessity of being punctual with the rent money. No more extensions, so I insisted she pay up now. She was shy at first, but I think she paid up fine.

In life, sometimes it's cool to fuck your neighbor. I wasn't expecting to be sucking on his dick after only being there two months. When I first met him, he was so nice, and such a hunk that I wanted to get me some of that man meat. After many flirty encounters, I went right for it. And it paid off! Later on there was plenty of pussy eating, cock sucking and dick riding as we got to know each other. And we did.

Fishing Trip

All through my childhood, my friends Denny and Bobby lived two houses away. We were a constant threesome. We went every place together, and did (almost) everything together. We walked to and from school together. But it was what happened under the front porch that I want to tell you about.

As we got older, the boys would forget their toys began to look at me differently. But it never really amounted to much—until our camping trip.

Once we got to be “legal” age, things began to change—for the better. My body filled out, and that seemed to awe the boys. It was obvious that they now enjoyed me even more than before, and I would find myself more and more with curious hands roaming over me. It seemed that almost overnight all the squares and angles were gone from my body, having been replaced by soft gentle curves and dimples.

I also learned how to come at about that same time too, and it would make the boys laugh when I would squirm and whimper in the throes of insanity brought on by their happy fingers, dicks, and tongues. Their lovely balls hung and swung sweetly from the root of their cock. They began to jump and jerk and to squirt scalding semen from them, and this made it so much better for me as I adored the feel of that stuff running over my hands and arms.

In the summer we would spend many happy hours at the park while they took turns fucking me and squirting again and again. And they would eat my pussy me too, not minding a bit that each other’s semen was oozing from me. They used to suck my nipples until they throbbed and would lick my puckered little anus, and I’d writhe and come some more for them. I became very adept at sucking them too, and could have the juice shooting from either of them in minutes with my lips. Why I never got pregnant is anyone’s guess. We never bothered to take any precautions, but would let the semen squirt where it would, outside or inside—usually inside.

But there was always something missing for me.

Maybe it was that I could never have both boys at the same time; one of them always had to keep watch for us. Then came the magic weekend I want to tell you about, the whole weekend the three of us spent to-

gether at a rented fishing lodge up in the mountains.

I was giddy with excitement as we made our plans. Bobby had borrowed his dad’s car and his parents had gone and rented a small cabin by the lake for him and Denny. Nobody could understand why a girl would want to go on a fishing trip with a couple of guys. But I didn’t care; little did they know what was in store for us!

All week long, Denny and Bobby licked their chops in eager anticipation whenever they looked at me. Then the big day came. We loaded up the car and took off, Bobby driving, me sitting in the middle between my two beautiful buddies. As soon as we were

past the city limits and driving down the highway, I had both their dicks out and in my hands, squeezing, milking, jacking, and my head swiveling from side to side as I admired their beauty. I continued fondling, keeping them absolutely stiff and throbbing. Frequently I would lean over and lick at one of their knobs, but I did not make either of them squirt. As soon as I sensed that one of them was about to shoot, I would release my grip on his dick and let the feeling subside, grinning at the soft groan of disappointment.

By the time we reached the campsite and the cabin they were going nuts.

I started the ball rolling by undressing in the bedroom, then running naked and all pink through the living room and outside, laughing at the whoop of excitement from them as they saw me. In seconds they were hot after me, and I laughed more at the remarks they were making about my bouncing bare ass and flashing legs as they chased me around the outside of the cabin.

Suddenly I ran right into the arms of Denny, who had obviously stopped and waited for me, knowing that Bobby would guide me directly into the velvet trap. I squealed and laughed and struggled in his embrace, having the time of

my life. Then Bobby was there, and I was no match against their combined strength.

Those nasty boys fucked me in the cool grass by the side of the cabin. I was borne to the ground and a moment later Denny's warm hard penis came sliding deeply into my belly. I held my legs high, keeping them clasped to his waist to receive every last inch of it, and to give Bobby a clear view of Denny's driving cock because he was sitting back there watching. I adored the feel of Denny's dick pumping me and the knowledge that Bobby was staring at my grasping cunt, watching it as it swallowed inch after hard inch, again and again.

"I adore you, Denny," I whispered into his ear, as his belly smacked mine, his balls thudding against my lower ass.

"I'm gonna shoot!" Denny gasped. Then he went rigid from head to toe, his movements growing jerky and uneven. I cooed softly to him as I felt his dick jerking within my vagina, felt the added wetness of his semen.

Then Bobby was next of course, and he plunged into me, giving no thought to the fact that he was dipping his cock into his best friend's still-hot semen. Bobby fucked me like a wild man, his strong young ass bouncing up and down so hard it made my firm flesh jiggle and the breath puff from my lungs. Again I had my legs high to give Denny a good view of my gulping cunt.

"Bobby! Bobby, I love you. You're going to make me come!" I cried.

"Damn, Elaine. You've got the hottest pussy!" Bobby gasped, and then, "Oh! I'm coming!" He too went rigid, groaning softly, his cock jumping within. I moaned softly, writhing and choking in my own orgasm, my hips heaving and surging up and down on their own, my fingers digging into his arms.

Finally the world stopped exploding for me and I relaxed. I felt Bobby climbing off me, felt his wilting cock slipping out of me. Then we went into the cabin and showered together, and the boys were getting horny again. Together they soaped me from head to toe, their eyes simply shining as they felt my satiny flesh under their gentle hands. I was having a blast. I adored it when they touched me and ran their hands all over my body.

"Which one of us fucked you the best?" Bobby asked, grinning as they dried me with a big fluffy towel.

"Don't ask me that," I smiled. "I honestly can't say. I only know that Denny worked me right up to the edge, and you made me tumble over."

"Team work," Denny laughed.

I still have not decided which one of them had the cutest cock. I never displayed any favoritism with them. How could I when I loved them both equally?

We went back into the living room and the boys sat in chairs while I sat on the couch. I lifted one foot and hooked my heel over the edge of the cushion, my knee in my chest, my other leg spread out

to give them a view of my cute, dark-haired pussy. I had always wanted to be totally naked and free like that with them, but was never able to because one of them always had to keep watch for us. And they were certainly looking too, bless them.

"How does a girl masturbate, Elaine?" Denny grinned.

"I've already told you how," I smiled back.

"Yeah, I know, but..."

"You want me to show you?" I asked, coyly. With my cheeks warming I began to caress myself while they watched eagerly. I had never masturbated in front of anyone before, but my love juices were still flowing from the delicious fucking and the shower

both—always wanted more of my pussy.

I sucked them off and greedily gulped the warm, sweet cum. They took turns eating my cunt and sucking at my asshole until I thought I would go insane. We went skinny dipping, and then fucked in the cool grass by the lake. We took long walks in the woods and stopped to fuck some more, all three of us naked and free. I even sat on Denny's face, much to his astonishment. Denny rolled me off him and sat up, and Bobby was cracking up laughing at the foolish grin on Denny's wet face. As soon as I got a chance I sat on Bobby's face and allowed my juices to softly dribble into his mouth, and he let me do it.

Each night I slept curled up between my two big "brothers," feeling safe and loved. We even got to go fishing twice!

All too soon the magic weekend was over, and it was with heavy hearts that we loaded the car up for the drive back to the city. I was curled up in the back seat alone, totally fucked out. I was trying to remember how many times I had been penetrated that weekend, but it was impossible.

As we drove down the city streets the boys were checking out the girls, commenting on this one's tits, that one's ass, what kind of fuck the other one would be. I decided that there was no way one female could keep those two wild men fulfilled. But it sure had been fun trying!

We never got together for a threesome again, but that one weekend will remain in my memory forever and will always have a special place in my heart. Denny moved away to another state where he got married, and now has two beautiful little boys who look just like him. Bobby went to Afghanistan and never came back.

I finished school and ultimately got married. I am absolutely faithful to my husband, but sometimes when it is dark and my husband turns to me in our bed I will let my fantasies run wild, and Denny will be with me again. Or Bobby will be home safe and sound.

In those times I am young again, filled with the wonder and awe of it all.

which followed, so I did not have any trouble getting myself into the mood. With my eyes closed I touched and teased myself all over, my arms, boobs and nipples, my tummy, hips, and thighs. I petted and rubbed my warm little pussy, reaching further back to tickle my asshole at times. Finally, I drew the tender lips of my pussy apart and massaged my clit until I twisted in orgasm for my audience.

"Fuck, she came! She really did, Denny!" Bobby grinned. I laughed at their child-like excitement.

It was one fun-filled weekend, to put it mildly. They refused to let me wear any clothing so I walked around nude the entire time. I was insatiable and they were a pair of true sex maniacs. One of them—or

Lizz really values her alone time. However finding free moments can be a real chore. Looks like today she may have found some and is taking advantage of every minute. After a day of hard work, she strips down to cool off, only to start heating herself up again. It doesn't take long before her fingers have slipped down her body to assist in releasing her stress. Rubbing her clit and fingering her wet pussy should do it. We think so.

I starting complaining that I wanted some dick since I was horny as fuck. Things heated up pretty quickly between him and me and next thing I know he's licking my pussy, I'm sucking his cock, and fucking him until the fireworks went off!

It's quite appropriate that Cailey hails from some place hot, like Southern California.

She's a sexual hottie whose voluptuous bikini body, L.A. smile and seductive eyes make her a far cry from the typical Valley soccer mom. A real head turner, she kept getting into trouble when she was younger. You could probably call her a wild child, but she likes to think of herself as more of a free spirit. Now she's only trouble between the sheets.

the war hero and the girl next door

A story told by a member of the greatest generation

this is a story I have never told anyone but have always wanted to.

I am a former combat pilot that was stationed in the South Pacific during World War II. I was the youngest “ace” in the unit, with five “kills” under my belt by the time I was 21, and was decorated by the commanding general for it.

One day, as I was delivering a combat-readied P-51 pursuit/fighter plane, I came across a wounded Mitchell B-25 bomber limping back to base, one engine dead, the other barely keeping her aloft. She was peppered with flak and bullet holes and her gun turrets were apparently out of ammo because she was not returning any of the fire to the two Japanese fighters who were buzzing around her, pouring lead into her.

Cold fury filled me at the way they were pumping round after round into the helpless Mitchell, so I dove into the fight myself and finally succeeded in sending one enemy to the ground in flames, the other turning tail, not wanting any more of the murderous fire from that fighter of mine. I escorted the wounded bomber back to her base and watched her go in safely, then went in and sat down myself. The guys from the Mitchell nearly tore my arm out of its socket shaking my hand in gratitude (the Mitchell had, indeed, been out of ammo), and a couple of weeks later I was decorated again for my act by the general.

In 1945 I was discharged and returned to the small farm I grew up on. I was a hero to the folks in the little town where I had gone to school, and was offered more dates than I could handle. I never knew there was so much free pussy in town! And every night too! The girls in the little town

were honored to be seen with me, a full-fledged decorated “hero.” Even the girls who had been too damned snooty to speak to me, a simple farm boy, in school were falling over themselves to be with me.

Yes, it was good to be back home with my mom and dad and my kid brother. The hard work on the farm really put some tone into my young muscles, and my skin became a golden tan from the warm sun. One warm summer afternoon when the chores were all done I sort of ambled off to be by myself. I was not going any place in particular; I was just walking.

I became aware that I was heading in the direction of the old swimming hole where two creeks joined, forming a wide pool of quiet water. All the kids in the valley used to gather there and

splash about in the waist-deep water. I figured I would go there and smoke me a cigarette and just sit and watch the clouds or the birds. Yeah, it was good to be home.

Then I stopped, hearing a lot of splashing at the pool. I grinned to myself, realizing that some kids were there. I would hide and toss pebbles into the water, and they would think fish were doing it. I crept through the tall weeds, still grinning to myself. Then, I stopped again. I stared. It was not a group of kids.

It was Natalie, a girl whom I had grown up with, and who lived on the farm joining ours. Yes, I stared! “Nat” had always been my little buddy, always tagging along behind me every place I went, always making a pleasant little nuisance of herself. I was always

aware of her warm presence too, but ignored her. She was five years younger than me, and the last time I saw her before I went into the Air Force. He was skinny and homely as hell, knobby kneed and freckled.

That was ugly little Nat? Damn! She was as naked as the day she was born, splashing about and laughing all by herself in the shallow water. Her light brown hair was pinned up, and she was nothing but a little bundle of curves and dimples and pink sensitive flesh; high perky titties with small pink nipples, a tiny waist, softly rounded hips and plump bottom, lush full legs tapering gracefully downward, a cute little pubic mound decorated with a small triangle of curly light brown fur.

That was Nat? The ugly caterpillar had evolved into the beautiful moth while I had been overseas!

I stood up. "Hello, kid," I called out, grinning.

She whirled with a gasp, her hands flying up to hide her secrets, her face and throat scarlet. Then she beamed back at me. "Jimmy! What are you doing here? Must you creep up on me like that? You scared me half to death! Well, turn your head so I can get my clothes on, will you?" she laughed.

"Why?" I countered, teasing, still grinning. "I've seen everything already."

"I know it, you hateful boy, but turn your head anyway," Nat said, still laughing.

I turned around, and she came out and dressed. We walked on, chatting idly about nothing and everything. I could not get the sight of that curvy dimpled little body out of my memory. How she had grown up! What a lovely little heartbreaker she had become!

We came to a lone tree far up on the hilltop and sat down. We could see for miles in all directions; the rolling hills, the valley where the farms were, the trees, the cattle grazing down there.

"We're like Adam and Eve up here, and nobody within a million miles, Jimmy," Natalie murmured softly beside me, her arms hugging her knees into her chest.

"Yeah," I smiled, looking at the distant hills.

"My Jimmy," she said in that same

soft voice. "Home at last, a hero." She looked at the side of my face. "You'll never know how I prayed for you every night, Jimmy, and how I waited for a message that your plane had been shot down by the enemy. I was sick with fear."

"Well, I'm back," I said, gazing

over at her, still smiling.

"I thought of other things too, but I'm not going to tell you about those thoughts," she said. "They're not nice thoughts. Not the thoughts a nice girl has about a boy."

But I coaxed her, laughing. Nat blushed and giggled beside me, shaking her head, refusing to tell me. Finally she blurted, "I thought of all those horrible women over there coaxing you into bed with them, and doing terrible things to you every night!"

I laughed. "There weren't that many women on those small coral islands, Nat," I told her. "Just an airfield and a bunch of guys."

"There were nurses!" she cried. "I know what they did to you, Jimmy, because they like pretty boys like you!

And you're the prettiest boy I've ever seen! You've always been so pretty, Jimmy."

Suddenly we were staring at each other, as though seeing each other for the first time, really seeing each other. We were not kids anymore, and we both realized that.

I saw the pulse throbbing in her lovely throat, those huge hazel eyes gazing at me, the parted lips. The next moment her arms crept about my neck as if they belonged there, her sweet face coming closer. I managed to choke out her name, wild and insane feelings racing through me. I felt her trembling, inhaled her fresh clean breath wafting into my face, saw the dear face. My arms went around her tiny waist and mouths fused together, our tongues working.

I have no idea how long we sat there and held the heated kiss, but I could not believe what was happening. I was kissing sweet little Nat with the same fervor that I would kiss a professional whore, and my cock was fully erect, lying along one thigh, twitching, throbbing. As though it had a mind of its own, my hand slipped to her titty. It was as if that single touch opened a floodgate for us. Nat's slender hand went to the fly of my trousers and drew it down, then went into the opening. A funny little sound came from her as she found my cock and lifted it out, her fingers warm and gentle around the surging, rearing thing. I was kissing all over her dear face, my fingers fumbling with the buttons of her blouse, and she continued to fondle me.

Then we were both naked, Natalie was lying on her back on the cool moss, her fingers still greedily holding my cock, refusing to let it go, while I hovered over her, kissing, kissing, kissing. I went to her beautiful shoulders and arms, kissing them, over her swan-like throat, down to her cute titties and little pink nipples. I moved down across her tummy and belly, and her legs parted in warm welcome to my happy mouth.

Back in those days any type of oral sex was considered "perverted"-even to kissing a woman's breast-but that day it was the most natural and perfect thing in the world for me to bury

my face between Nat's lush thighs. I clutched at her buttocks, my mouth licking and kissing all over her cunt, my tongue sliding deeply into the tiny hole, wriggling, gathering her flowing nectar to savor.

At some point, Nat's warm wet mouth slipped over the head of my cock, sucking hard, causing it to rear powerfully in response. She gagged slightly from the size of it but held on grimly even though it was too big, obviously enjoying it.

What a delightful little pussy she had! I kissed and licked here and there over the short taut lips, up and down the short crack, nuzzling my nose through the curly silken fur, thrusting my tongue into the little hole again and again. I located her clitoris in the upper portion of her crack and nibbled at it for a while, causing her to twitch.

Then I lifted my face out of her crotch, drawing my prick from her hungry mouth. I turned and climbed atop her, resting between her gorgeous thighs, my dick aimed at her pouting little vagina. Nat gazed up at me trustingly, her eyes wide and filled with wonder and joy, her fingers clutching my upper arms, her knees already lifted.

"Be gentle, Jimmy. I never did it before," she softly begged me.

Be gentle? With Natalie? I could never bring myself to hurt that girl for any reason no matter how excited I got! A wonderful feeling went all over me at the thought that she would give up her maidenhead to me. I murmured something neither of us understood as the head of my cock touched the parted lips and began to force them further apart. Nat stiffened slightly under me, her fingers clutching tighter at my arms, her great eyes still staring up at me. I gave a careful push, and my prick went sliding right down into her, going all the way in with more ease than either of us had expected.

"Oh, God!" Nat whimpered at her very first penetration, feeling her wet little pussy gulping the length of my tool. She relaxed then, a shudder going over her delicate form.

I felt the tip of my cock touching bottom in her belly, felt the throat of her vagina pulsating warmly along the

length of my shaft, my mound pressing her softly furred one, her inner thighs clasp my waist, her lower buttocks kissing my big balls.

"Do you know how, Jimmy? I don't think I know... I never..." She began saying, trembling like a leaf under me.

I tried to answer her, but could not speak.

"Are you doing it to me, Jimmy?" Nat whispered, wide eyed. "Are you?"

"Yes," I managed to gasp. "At last," Nat breathed, her eyes finally closing.

Slowly, carefully, I began to pump her, my hips raising and lowering. I was resting my body on my knees and elbows, my face close to hers. How absolutely tiny and fragile she appeared under me, how defenseless. I think it was at that moment that I fully realized just how much little Natalie meant to me, how much she had always meant to me. I was actually fucking that girl who had always tagged along with me, who had made a pest of herself so many wonderful times. For some crazy moment I wanted to start bawling! Somehow I was not just fucking Nat. Somehow it was something much

more than that to me.

"Jimmy, let's do it a bit faster," she whispered. "It feels so good, and I think that something good will happen for me if we went a tiny bit faster..."

Still carefully, I pumped her a bit faster, struggling to hold my own orgasm. I did not know if she would climax or not, but I sure hoped that this was what she meant when she said that something might happen. I felt her squirming heatedly under me, her vagina getting wetter and wetter.

"Make it touch bottom some more, Jimmy," she whispered. "Deeper, Jimmy. Deeper. Oh, that's right. Yes, that feels so good. Oh, Jimmy, it's going to happen. It's happening!" Her plump little bottom suddenly heaved itself upward, causing my cock to literally bury itself in her, her fingers digging into my arms, her head going back.

That was more than I could stand, and the next moment I erupted into her, my dick jumping and jerking, squirting jets of scalding semen into her warm receptive flesh.

When I came back to the land of the living she was gazing up at me, having watched my agony, her pretty face flushed and moist, her lips still twitching. We stared at each other, both of us still filled with the wonder of what we had done.

We walked slowly back down the hill, Nat's small hand in mine. She glanced over at me.

"Did you like it, Jimmy?" she softly asked.

"Yes, Nat," I murmured, smiling back at her, still disbelieving. "I don't know what else to say."

She nodded, understanding, giving my fingers a little squeeze. "I can still feel it." She said,

"I never knew it would be like that. It was beautiful."

"Yeah, Nat, it was beautiful." "Will we do it again soon, right Jimmy?"

"Yeah, Nat, we'll probably do it again very soon."

"I'm glad."

We did too, and each time it was better for us.

That is the end of my story. My wife of 35 years has been smiling over my shoulder as I have been writing this to you. Incidentally, her name is Natalie.

Roxanne told Johnny that she overheard the young couple in the apartment next door having sex last weekend and it excited her. She mimicked the moaning sounds she heard and teased him by rubbing the front of his pants. She persuaded him to let her pull it out. She stroked and sucked his cock, then lowered herself down to suck on his balls. When she stopped, he returned the favor by licking her. That led to fucking and cumming on her ass.
